Why Most MSMEs Struggle to Grow

...

**Last-Minute
GST stress**

**Excel Sheet
Accounting**

**Manual
Follow-ups**

**Multiple
software**

**Scattered
Documents**

**CA
dependency**

**Compliance
confusion**

**No business
visibility**

**fragmented
System**

**Businesses spend more time managing compliance
than growing their business.**

Traditional Software Vs Compliance Infrastructure Platform (CIP)

Traditional software manages transactions. **MethotX** manages business compliance, operational discipline and continuous business readiness.

Traditional ERP

- › Records transactions
- › Generates reports
- › Supports accounting
- › Periodic compliance
- › Separate tools
- › Reactive management

Vs

MethotX – Compliance Infrastructure Platform (CIP)

- › Continuously monitors compliance
- › Builds structured business operations
- › Connects MSMEs with Chartered Accountants
- › Maintains audit-ready records
- › Provides business health visibility
- › Creates a secure digital document ecosystem
- › Supports government-aligned digital governance
- › Enables MSMEs to become finance-ready, audit-ready and growth-ready

“

MethotX transforms fragmented business operations into structured, continuously compliant, audit-ready and growth-ready enterprises.
